Author Information & Public Links

Alexander I. N. Derkatsch, Independent Researcher / Founder, bigBespoke LLC. Formerly Aerospace Systems Engineer at Beyond Gravity (NASA SLS Block 1B Universal Stage Adapter, Artemis 4+, 2022–2025; deployment to Linköping, Sweden, for the SLS Payload Separation System). B.S. Aerospace Engineering, California Polytechnic State University (San Luis Obispo, 2014–2021). Private Pilot License, Princeton Flying School, 2017. AIAA + INCOSE publication record (refs. 1–2 above); author of *Beyond Proportional Navigation* (44-chapter technical reference, 2024–2025) and the working draft *A Non-Associative Algebraic Framework for Yang–Mills Existence and Mass Gap* (2026, 241 pp).
